

# USA JUMP STARS<sup>®</sup>

## Summer Camp Registration Form

### Requirements

#### **Venue:**

Morning classes may be held inside or outside. All outside classes MUST be on cement (roughly the size of a basketball court). Outside classes cannot be conducted on grass or dirt.

Afternoon classes MUST be held inside a facility. Jump rope is an intense physical activity and is too strenuous to be conducted in the afternoon heat.

#### **Cost:**

\$99 per child for the week + any additional charges for your venue. Let us know if your venue charges a percentage, flat rate, any additional costs, etc., so that the prices can be adjusted accordingly.

#### **Class Size/Age:**

We require a minimum of 10 students and a maximum of 25 students per class. Grades 1 - 8.

#### **Advertisement:**

Advertising is a must to inform students about the availability of our camps before the Summer vacation begins. We have many options available to you. Flyers will be provided to post at your school/facility. We are also willing to provide a jump rope performance assembly or lunch-time demo for your school. Any mention in your organization's E-newsletter or student paper will certainly improve the success of the camps. Call to arrange a performance time.

Please fill out this form and sign below. Both school/organization and USA Jump Stars must sign for contract to be valid. Please call to check availability of dates and times.
